over the years - many other local shows and hanging and awards of distinction.

Powers has garnered many awards of distinction and placed 3rd and 5th in Watercolor Society of Oregon shows, but is unable to recall the exact dates.

Currently,

Lynn is pursuing two avenues of her own art. In addition to her intense character studies of people, she has started to develop a series of light hearted graphic images for use in interior decorating. She also teaches out of her studio located just west of Albany.

She is thrilled to be a founding member of the Gallery Calapooia.

Other interests:

Powers is an avid gardener. The spring and summer months find her totally absorbed and working in her garden of more than an acre in size.
